██████████████████████████████████████,   25X1A

Mr. Cunningham:

Announced that Mr. Schlesinger is to become the Secretary of Defense and William E. Colby to be the DCI-Designate (Note: not "Acting Director").

25X1A

████████████ is the DDO-Designate.

Mr. Brownman to stay on as DD/M&S.

Mr. Colby is expected to go along with programs Mr. Schlesinger has initiated.

Impact on OTR: much attention to management, language, and information management:

1) DTS -- Mr. Colby favors the Agency relinquishing it; OTR to take the position of retaining it, citing its contingency value.

2) Counter-subversion -- Subject may come up again for OTR.

3) Language interest -- DD/O to come up with 50 language-position slots.

4) Relation with Senior Schools will be another concern of Mr. Colby.

5) Assessment of value of training will be ongoing problem for OTR.

6) Board of Visitors -- will become more involved with OTR's workings.

Due close of business 10 May, significant items to be included in briefing paper for General Walters upon his return from TDY.
